

Leadership Giving Circle

You are cordially invited

Have you ever felt the **excitement** of being part of a **group working together** to make a difference in the community?

Have you been in awe of what can be done by **everyday citizens** reaching consensus and working tirelessly for a cause they believe in?

Have you ever felt the appreciation of **moving forward** after tough conversations with people who have a **different point of view**?

How do we nurture and grow more of these positive civic experiences? How do we build community?

The Board of Directors invites you to join the **SCOPE Leadership Giving Circle**. Gifts in the Leadership Circle signify your belief that the voice and inspired action of every citizen is integral to a great community.

Your gift translates into new voices being heard, open community processes, building on existing strengths and talents, and exploring possibilities for the future.

Your gift powers the mission of SCOPE – ***to connect and inspire citizens to create a better community.***
