

Get Plugged In

Race & Cultural Relations

Affordable Housing

Aging—The Possibilities

Family Violence

Plug into YOUR passion!

School Dropout

Traffic Flow & Congestion

Mental Health

Redevelopment & Infill

Communities whose residents are “plugged in” and have increased sense of ownership of the decision-making process are healthier overall.

That means lower rates of school dropout, crime, and even fewer colds and heart attacks!

Make the choice to get involved through SCOPE. It's your community.

Isn't it time you owned it?

To find out how to get connected, log on to www.scopexcel.org or call 941.365.8751
